We have been helping individuals, couples, and families for sixty years. Please help ensure the next sixty years of meeting the emotional needs of the most vulnerable in our community. Your investment in our Endowment Fund makes certain our high-impact initiatives will allow our clients to achieve their full potential:

### **Supporting Youth in Transition**

- Life skills preparation for teens aging out of the foster care system
- Counseling for high school youth navigating various problems, such as depression, anxiety, and bipolar disorder
- Support for children dealing with life-changing events, like the death of a loved one or the breakup of the family

### **Investing in School-Based Services**

- Therapists on-site at childcare centers helping young children with early emotional and behavioral disorders
- Easy access to care for children in elementary, middle, and high schools who are struggling with emotional problems
- Violence and substance abuse prevention

### **Ensuring Emotional Health and Preventing Family Violence**

- Breaking the cycle of violence for court-mandated offenders
- Anger management for individuals and couples
- Individual, couple, and family counseling for depression and anxiety, divorce or separation, mental health and psychiatric care, and substance abuse

*Please consider a gift to the Endowment Fund and help make a difference for generations to come!*

Planned gifts demonstrate a lasting commitment to the health of our community. We are proud to announce the establishment of the *Family & Children Services Legacy Circle*, created to honor to those who leave a legacy gift through their will or trust. If Family & Children Services is already named in your estate plans, please let us know so we can say thank you now for your future gifts.

If you are considering making a gift, we encourage you to consult with professionals such as your financial advisor, tax accountant, or estate planning attorney. Family & Children Services can also refer you a team of professionals who can help you take advantage of tax benefits as you support the future of the agency.
