Dear Friends,

Mental health concerns, substance abuse, and family violence touch all of our lives.

Your generous support means families are not left to contend with such life challenges on their own.

Whether we’re helping a mother and her children heal from the effects of domestic violence, a friend recover from addiction, or a teen cope with acute anxiety, we need you.

You keep the circle of support in our community strong. The successes we see in our clients’ lives are thanks to your compassion and generosity.

Read more about Daniel and others whose lives have been changed.

Make your gift to FCS today, and strengthen the safety net for vulnerable people striving to transform their lives.

From all of us at FCS, we send our best wishes to you for the coming year.

P.S. If you have already responded and made a gift this season, thank you. Read more about lives you are changing.
As of January 2017, FCS will continue to deliver our mission and programs as a division of the San Mateo-based nonprofit organization Caminar for Mental Health.
